We all may be feeling stressed out and down about the changes in school or at home. One way to help our stress is to remain positive! Positivity in our lives can benefit our relationships, our attitudes, and our overall well-being.

Below are some tips to encourage positivity with you and your child!

2. Record positive experiences for memories.
3. Help your child set and achieve a goal
4. Share positive experiences such as expressing feelings, laughing, or hugging!
5. Recognize your child's strengths and try new activities!
6. Practice positive affirmations-
"I am kind, I am enough,
I am a good friend"
