Principal Report: Principal Jonna Johnson

-**Blue Family Folder (BFF)** coming out this week with lots of info. Please check your emails. New calendar for March and lunch menu will be sent.

-**Free lunches have been extended** through March. If you send lunches in, please remember that as a faith community there is no meat on Fridays. It is an easy practice for students to learn about faith and fasting.

-**Lenten Activities** list also being sent home in BFF. It will be listing some of the activities we will be doing as a school reinforcing fasting, prayer and alms giving. As a part of this, a link will be sent home for "Holy Heroes Lenten Adventure". There is a video clip sent by email each day that you can watch with your children.

-**Teacher Appreciation**- Thank you to all who helped with this before winter break. All the staff appreciated the little surprises received all week, including lunch on Monday.

-**Ice Cream Social**- Thank you to the HSA for putting on this event. The kids all loved it and it was a nice treat especially since a lot of our usual celebrations have been cancelled because of COVID.

-**Re-registration Forms**- Thank you to all who have sent them back in. Our school's virtual tour is available on the website, and Info also on our virtual Open Houses. Please share with your family and

friends. It is a great option for those families that have been going through the Highbred Education Model. We still do not have any idea how next year will look.

-Sports- Diocese decided not to host a league for basketball this year. We are still waiting to hear about spring sports.

-State Testing- There has been no decision made on testing yet. We have set time aside on the school calendar, and will wait to see what the state will be doing. Would love to see where our school stands, since we have been able to stay open to in person learning five days a week.

-There are no new COVID updates at this time. Attica Pharmacy is still offering free testing to children of St. John's. You just have to call in the morning to get an appointment. Just mention that you are part of the school.

-If you are traveling please continue to follow all guide lines for returning back to school. Call school with any questions. We want to keep our school safe.
