

St. John the Baptist School

HSA Board Members

2021-2022

My name is Cathie McAuley. I'm currently the HSA President. I have 4 children still at St John's: Mackenzie in 7th grade, Victoria in 3rd grade, Sullivan in 1st grade and Lincoln in Kindergarten. My husband Bob and I have 10 children total. We recently moved to Attica, and I am alum of St John the Baptist School. We are all members of HSA, whether a position is held or not. All opinions matter. Everyone here has a common goal and that's our kids. The HSA does a lot of fundraising throughout the year, which helps to offset some of the operational costs of the school, help our classrooms get what they need, and most importantly to help our teachers give the kiddos what they deserve. If at any time you have any questions or concerns, please let me know. My number is posted everywhere, but just in case 585-300-3262, sometimes text is best.

My name is Jess Nuhn. I am the new HSA vice president. I have been the HSA treasurer in the past. My husband Dave and I have three children in the school: Brooke is in 5th grade, Lucas is 3rd, and Autumn is in 1st. They all started in kindergarten. I decided to become involved more in the school with the HSA because the school is an excellent example and has a strong sense of community. The term, "It takes a village to raise a child," is true. Each and every parent's roll in our child's education is essential. I am very excited for this new year. If there's anything that you need or have questions, please don't hesitate to contact me.

I am Shannon Kulik the HSA treasurer. This is my first year as treasurer and I'm so excited! My family has been a part of St. John the Baptist going on four years now. I am a stay at home mom of four boys. My first son Michael is 11 and in the 6th grad, Henry is 7 and in 1st grade, Samuel is 5 and in Kindergarten and my last son Joshua is 4 and in Pre-K 4. We love being a part of the St. John's Family. They offer so much support, and the teachers really do go above and beyond. My first year here I chaired Mother/ Son Night and that's when I met all these amazing families. I look forward to meeting all the new families as well.

Hello, my name is Amy Fontaine and I am the HSA secretary. My husband Mike and I have nine children. Our oldest son is married with two sons, Joshua is getting married this October, my daughters Maria and Laura are in college, Amelia and Emma are at St. Mary's High School, Joel and Jethro are in 7th grade, and our youngest Jonah is in 2nd grade. All of our children have attended St. Johns, and Catholic education is very important to our family. In the past, I have also served as treasurer. Two things I learned when growing up is, many hands make for light work and family comes first. My hope is everyone can feel a part of St. John's family. We all know life is busy, but you are ALL a part of the HSA. It offers a great opportunity to get involved and meet some really great people. I am available for any questions, please call or text me at 585-300-7170.

Piano, Ukulele, and Guitar Lessons

This year there will be opportunities for students to take piano, guitar, or ukulele lessons. All lessons will be taught during school hours on a rotating schedule so that your child will not miss the same class each week. Students will be grouped by ability level so that a small group of students (between 2 - 4) will have a lesson slot each week.

Lessons will begin the week of October 4, 2021.

Lessons Offered and Requirements

Piano

Grades K-8. Students must have a piano or keyboard at home to practice. During lessons, students will be able to use the pianos and/or keyboards available in the music room, which will be disinfected after each use.

Ukulele

Grades 2 - 8. Students must bring their own soprano ukulele for lessons. Ukulele students will also need a digital tuner. Beginner kits can be found for under \$50, such as this one:

https://www.amazon.com/dp/B01NA7VGAR/ref=cm_sw_r_em_apr_i_Z16xFbZEXD8CP

(Please note that we will be using soprano ukuleles, not concert ukuleles.)

Guitar

Grades 3 - 8. Students must bring their own guitar for lessons. Guitar students will also need a digital tuner and an extra set of strings.

Tuition

Tuition may be paid on a monthly or an annual basis. Lesson books are included in the tuition.

| Number of Students | Monthly | Yearly (October - June) (Save 10%) |
|--------------------|---------|---------------------------------------|
| 1 | \$40 | \$324 |
| 2 | \$65 | \$527 |
| 3 | \$85 | \$689 |

Please do not hesitate to contact me with any questions or concerns. To register your student(s) for lessons, please fill out the registration form on the next page and email it to me or send it in to school. Additional information will be sent home regarding lesson policies and payment information once received, so please do not send in any payments at this time.

Thank you,
