Reports-

President's Report: Cathy McAuley

New Business:

Catholic Schools Week - HSA will again be sponsoring the ice cream social. Pink Cow will be serving. There are options available to any students with dairy allergies. Please notify the office.

Teacher Appreciation Week - It will be February 14-18th. Each day the HSA will be doing something special for the teachers. One of the days will be the luncheon done by Alden Bakery. If anyone has any other suggestions, please contact one of us.

Meat Raffle - We will be having an in person Meat Raffle on March 12th. Ticket info will be coming out soon. HSA will be responsible for 1 big ticket item. Possibilities would be a Yeti cooler or gift card basket. A dress down day will be held at school to help defer the costs.

Easter Candy Sale - Gertrude Hawk will be the supplier again this year. Sales start February 7th, orders due March 2nd with March 28th pickup. Candy can be purchased online and delivered to you, but you will have to pay the shipping and handling. Shipping is free when you order from the school.

Basket Raffle - Will be held May 21st and 22nd. Last year we made around \$10000. There is hardly any expense. Great opportunity to earn volunteer hours. Will possibly pair with a dinner. Also at this time the drawing for the parish sweepstakes will be drawn.

Lawn Fete - July 15-17th and volunteers will be greatly needed.

Sportsmen's Raffle - A parent mentioned this as a possible fundraiser. For a \$5000 investment, the profit is about \$15000. 1000 Tickets would be sold for \$20. Set for the fall right before hunting season. Guns are not on site. You would pick up a appropriate location off site with proper licensing. Could tie in with a chili cook off.

Candy Bar Sale - We still have some bars to sell and also need to collect about \$3000. Families with money not turned in will not be eligible for the top seller prizes. We have made a \$8700 profit after the 8th grade payment.

Old Business:

Breakfast with Santa - Went really well and we made about \$600.

Santa Secret Shop - Made about \$2500

8th Grade Class:

The 8th grade will be heading to Disney for their class trip. They still have Super Bowl Squares available. For Valentine's Day they will be selling chocolate candy hearts from Henry's. The Fish fry will be on March 11th.

Treasurer's Report: Shannon Kulik (absent)

Still waiting for new computer to get set up. Ending balance is approximately \$33516. We still have to give one more installment for operating expenses and end of year teacher gratuities.

Principal Report: Principal Jonna Johnson

Please refer to the Blue Family Folder that was sent out on January 26th for all the current information.
