Summer Reading Challenge

Assemblyman Mike Norris is holding his Annual Summer Reading Challenge to help encourage good reading habits and continuing learning this summer. This year's theme is "Adventure Begins at Your Library". This program is in conjunction with the New York State Assembly and Summer Reading at New York Libraries.

All students in grades (K-7) living in the 145th Assembly District during the 2023-2024 school year are eligible.

Students who pledge and complete reading for at least 15 minutes each day for at least 40 days during the months of July and August will be presented a New York State Assembly Excellence in Reading Certificate.

After Registering

You will be emailed an official Summer Reading Challenge Calendar to track your reading progress once they are finalized. These can now conveniently be printed off at home for self-use. A link for students who have successfully completed the program will be emailed to parents during the summer to submit in order to receive a New York State Assembly Excellence in Reading Certificate.

- Join the Summer Reading Challenge Today!
